

*Conclusion*

Applicant traverses the restriction requirement in the February 5, 2008 office action and respectfully requests that the requirement be withdrawn upon reconsideration. If the requirement is not withdrawn, applicant elects that the invention in Group I be examined and respectfully submits that claims 1-11, 18-26 and 28-32 encompass the elected invention.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Anthony Claiborne", written in a cursive style.

Anthony Claiborne  
U.S.P.T.O. Reg. No. 39,636  
425-562-6290
